Our (naturally short) story.

In January 1969, Sid Wertheim opened the first Little King at 80th and Dodge in Omaha, Nebraska. Over four decades later, people all over town still love the delicious taste of bread that’s baked on-site, quality meats and cheeses sliced right when you order, and soups that are second-in-line to none. Because when it comes to freshness, flavor and friendliness, folks in these parts know that Little King is big where it counts. Just the way Sid always wanted it to be.
